The song is ended,  
but the melody lingers on...

Death – the last sleep?  
No, it is the final awakening.

### **My Final Gift**

It is now time for me to move on  
Into the dusk, but also the dawn.  
I will remain as the morning comes  
As I've left behind a gift for someone.  
So another may walk, may talk, may see,  
Where their life was locked,  
I offered a key.  
I am a donor to someone in need.  
My final gift, my final deed.

### **Afterglow**

I'd like the memory of me  
to be a happy one,  
I'd like to leave an afterglow  
of smiles when life is done.  
I'd like to leave an echo  
whispering softly down the ways,  
of happy times and laughing times  
and bright and sunny days.  
I'd like the tears of those who grieve,  
to dry before the sun of happy memories  
that I leave behind when day is done.
