

**MICHIGAN STATE  
UNIVERSITY**

*Willed Body Program  
Memorial Service*

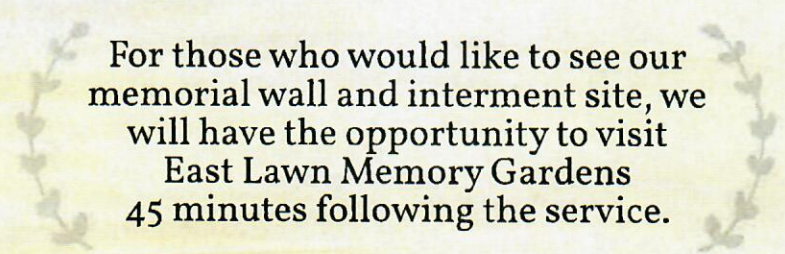

The Division of Human Anatomy, in conjunction with the Department of Radiology, will conduct our annual memorial service honoring those individuals who have donated their bodies to Michigan State University for the advancement of medical education.

***Please join us:***

***Kellogg Center Auditorium***

***Friday, April 11th at 12:30 pm***

In appreciation of their thoughtful and generous contribution to medical education,  
John Smith  
will be honored at this time.

For those who would like to see our memorial wall and interment site, we will have the opportunity to visit East Lawn Memory Gardens 45 minutes following the service.

If not already returned, you will receive a separate letter with information regarding cremains.
